Schematic Design Discussion:

- Schematic Changes
 - Elevator Placement to simplify off hours closure and to be closer to the Children's Room.
 - Glass in front of Adult Collection.
 - Director and Circulation offices switched so the Circulation office is directly behind the Circulation Desk.
 - Reference and E-commons switched.
 - Widening the opening of the lobby.
 - 90 Degree turn in Meeting Room Screen. Now on left side wall.
 - Circ Desk shortened to 15 – 18 feet.
 - Computer bar added on second floor.
 - Lounge area in front of Children's room.
 - Tech Services Room moved for better sight lines. A desk was added for staff in the future.
 - Staff restroom added.
 - A door should be added to prevent patrons from accessing the corridor to the mechanical rooms.

Exterior

- Two types of brick will be used to create the design for the front of the exterior and for the back exterior.
- The Building Committee looked at several examples, but would like to see more before making a decision.

Lighting

- Matt and Chris showed the Building Committee several examples of lighting and light fixtures that could be used in the library. These included hanging fixtures and linear recessed lighting.

Design Documents will be ending in 2 ½ weeks.

Historical

- Alicia has completed documenting the current library building with pictures, but will take more once the weather is nicer.
- 2 exhibits must be completed in the new library, one for Children and one for Adults.
- Alicia suggested a sub-committee should be created to work on the displays.

Next meeting scheduled for April 19, 2016, at 5:00 in the Senior Center.
